COMPLAINT INFORMATION

Complaint: Other Complaints against Pluris Wedgefield, LLC

Details:

We have lived at this address for 26 years! Not one good thing to say about the water situation! We have to buy bottled water in order to cook. Not one time have a drank from the faucet!we had to have all our piping redone as well as replacing 2 toilets twice because this water just deteriorated them! What exactly do we pay for the water alone makes my skin as well as my son's skin dry and itchy. I hope you reconsider raising the water bills here, if anything I think Pluris owes me or should reimburse for ruining my appliances and my and water lines!!
