BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition by Duke Energy Florida, LLC
for rate increase

DOCKET NO. 20240025-EI

Dated: May 29, 2024

**AFFIDAVIT OF MATTHEW CHATELAIN IN SUPPORT OF
DUKE ENERGY FLORIDA, LLC'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

STATE OF FLORIDA

COUNTY OF PINELLAS

BEFORE ME, the undersigned authority duly authorized to administer oaths, personally appeared Matthew Chatelain, who being first duly sworn, on oath deposes and says that:

1. My name is Matthew Chatelain. I am over the age of 18 years old, and I have been authorized by Duke Energy Florida (hereinafter "DEF" or the "Company") to give this affidavit in the above-styled proceeding on DEF's behalf and in support of DEF's Request for Confidential Classification (the "Request"). The facts attested to in my affidavit are based upon my personal knowledge.

2. I am Manager of Rates and Regulatory Strategy for Duke Energy Business Services, LLC ("DEBS"). DEBS is a service company subsidiary of Duke Energy Corporation ("Duke Energy") that provides services to Duke Energy and its subsidiaries, including DEF.

3. As Manager of Rates and Regulatory Strategy, I am responsible for rate administration, rate design, and pricing for DEF.

4. DEF is seeking confidential classification for information contained in response to the Florida Industrial Power Users Group's ("FIPUG") First Request for Production of Documents, Question 21. A detailed description of the confidential information at issue is contained in Exhibit A to DEF's Request and is outlined in DEF's Confidentiality Justification Matrix that is attached to DEF's Request as Exhibit C. DEF is requesting confidential classification of this confidential information for the reasons set forth below.

5. Documents produced in response to FIPUG's First Request for Production of Documents, Question 21, contain confidential information. Specifically, those documents contain internal sensitive business information relating to DEF's cost duration model, including distribution load profiles for General Service Demand, Curtailable Service, and Interruptible Service customers. The model and other information is proprietary and relates to DEF's competitive business interests. Absent confidential classification, disclosure of that information would impair DEF's ability to compete in the marketplace.

7. Upon receipt of confidential information, strict procedures are established and followed to maintain the confidentiality of the terms of the documents and information provided, including restricting access to those persons who need the information to assist DEF. At no time since receiving the information in question has DEF publicly disclosed that information. DEF has treated and continues to treat the information at issue as confidential.

8. This concludes my affidavit.

Further affiant sayeth not.

Dated the 31st day of May, 2024.

Matthew Chatelain
(Signature)
Matthew Chatelain
Manager, Rates and Regulatory Strategy
DEBS

THE FOREGOING INSTRUMENT was sworn to and subscribed before me this 31st day of May, 2024 by Matthew Chatelain. He is personally known to me or has produced his _____ driver's license, or his employee badge as identification.
