**RE:** CONFIDENTIALITY OF CERTAIN INFORMATION

DOCKET NO: 20240003-GU DOCUMENT NO: 07296-2024

DESCRIPTION: FCG (Keating) - (CONFIDENTIAL) Information contained in responses to staff's 1st set of interrogatories; specifically, information provided in response to interrogatory 1(c).

SOURCE: Florida City Gas

Pursuant to Sections 366.093(3)(d), and 366.093(e), Florida Statutes (F.S.) and Rule 25-22.006, Florida Administrative Code, Florida City Gas ("FCG") requests confidential classification of certain information provided in response to staff's 1<sup>st</sup> Set of Interrogatories (No. 1); specifically, responses to interrogatory No. 1(c). The document number for the confidential filing is 07296-2024, and the document number for the request for confidential classification is 07295-2024.

FCG's response to staff interrogatory No. 1(c) contains the names of two counter-parties to special contracts FCG has entered into. In its request for confidential classification, FCG asserts that disclosure of this information would impair the utility's ability to compete in the marketplace.

Staff has reviewed FCG's confidentiality request and agrees that the nature of the information meets the requirements set forth in Sections 366.093(3)(d) and 366.093(3)(e), F.S. Therefore, staff recommends that the request for confidentiality of certain information included in Document No. 07296-2024 be approved.

The above confidential material was filed along with a request for confidential classification. Please complete the following form by checking all applicable information and forward it to the attorney assigned to the docket, along with a brief memorandum supporting your recommendation.

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
- (a) Trade secrets;
  - (b) Internal auditing controls and reports of internal auditors;
  - (c) Security measures, systems, or procedures;
  - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;
  - (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information;
  - (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.

This response was prepared by Michael Barrett on July 18, 2024, a copy of which has been sent to the Office of Commission Clerk and the Office of General Counsel.
