PART II

GRANDFATHER CERTIFICATE

A) DESCRIPTION OF SERVICE

1) Exhibit ____ - Provide a statement indicating whether the application is for water, wastewater, or both. If the applicant is applying only for water or wastewater, the statement shall include how the other service is provided.

Water service only, Subdivision has individual Septic Systems

2) Exhibit ____ - Provide the date the utility was established.

1983 first well was Permitted

3) Exhibit ____ - Provide a description of the types of customers served, i.e., single family homes, mobile homes, duplexes, golf course clubhouse, or commercial.

Single Family Homes (Mobile Homes and Site Built)

4) Exhibit A - Provide a schedule showing the number of customers currently served, by class and meter size, as well as the number of customers projected to be served when the requested service territory is fully developed.

B) TERRITORY DESCRIPTION, MAPS, AND FACILITIES

- 1) Exhibit B - Provide a legal description of the proposed service area in the format prescribed in Rule 25-30.029, F.A.C. The utility must provide documentation of the territory the utility was serving, or was authorized to serve, from the county which had jurisdiction over the utility on the day Chapter 367, Florida Statutes, became applicable to the utility.
- 2) Exhibit C - Provide documentation of the utility's right to continued long-term use of the land upon which the utility treatment facilities are located. This documentation shall be in the form of a recorded warranty deed, recorded quit claim deed accompanied by title insurance, recorded long-term lease, such as a 99-year lease, or recorded easement. The applicant may submit an unrecorded copy of the instrument granting the utility's right to access and continued use of the land upon which the utility treatment facilities are or will be located, provided the applicant files a recorded copy within the time prescribed in the order granting the certificate.
- 3) Exhibit D - Provide a detailed system map showing existing and proposed lines and treatment facilities with the territory proposed to be served plotted thereon, consistent with the legal description provided in B-1 above. Any territory not served at the time of the application shall be specifically identified on the system map. The map shall be of sufficient scale and detail to enable correlation with the description of the territory proposed to be served.
- 4) Exhibit E - Provide an official county tax assessment map or other map showing township, range, and section with a scale such as 1"=200' or 1"=400', with the proposed territory plotted thereon, consistent with the legal description provided in B-1 above.
- 5) Exhibit F - Provide a copy of all current permits from the Department of Environmental Protection (DEP) and the water management district.

C) PROPOSED TARIFF AND RATE INFORMATION

- 1) Exhibit G - Provide a tariff containing all rates, classifications, charges, rules, and regulations, which shall be consistent with Chapter 25-9, F.A.C. See Rule 25-30.035, F.A.C., for information about water and wastewater tariffs that are available and may be completed by the applicant and included in the application.

- 2) Exhibit _____ - Provide documentation, or, if no documentation exists, a statement, specifying on what date and under what authority the current rates and charges were established.

RULES AND REGULATIONS

- 1.0 GENERAL INFORMATION - These Rules and Regulations are a part of the rate schedules and applications and contracts of the Company and, in the absence of specific written agreement to the contrary, apply without modifications or change to each and every Customer to whom the Company renders water service.
- The Company shall provide water service to all Customers requiring such service within its Certificated territory pursuant to Chapter 25-30, Florida Administrative Code and Chapter 367, Florida Statutes.
- 2.0 POLICY DISPUTE - Any dispute between the Company and the Customer or prospective Customer regarding the meaning or application of any provision of this tariff shall upon written request by either party be resolved by the Florida Public Service Commission.
- 3.0 APPLICATION - In accordance with Rule 25-30.310, Florida Administrative Code, a signed application is required prior to the initiation of service. The condition of such application or agreement is binding upon the customer as well as upon the company. A copy of the application or agreement for water service accepted by the company will be furnished to the applicant on request.
- The applicant shall furnish to the company the correct name and street address or lot and block number at which water service is to be rendered.
- 4.0 APPLICATIONS BY AGENTS - Applications for water service requested by firms, partnerships, associations, corporations, and others shall be rendered only by duly authorized parties or agents.
- 5.0 REFUSAL OR DISCONTINUANCE OF SERVICE - The Company may refuse or discontinue water service rendered under application made by any member or agent of a household, organization, or business in accordance with Rule 25-30.320, Florida Administrative Code.
- 6.0 EXTENSIONS - Extensions will be made to the Company's facilities in compliance with Commission Rules and Orders and the Company's tariff.
- 7.0 TYPE AND MAINTENANCE - In accordance with Rule 25-30.545, Florida Administrative Code, the Customer's pipes, apparatus and equipment shall be selected, installed, used and maintained in accordance with standard practice and shall conform with the Rules and Regulations of the Company and shall comply with all laws and governmental regulations applicable to same. The Company shall not be responsible for the maintenance and operation of the Customer's pipes and facilities. The Customer expressly agrees not to utilize any appliance or device which is not properly constructed, controlled and protected or which may adversely affect the water service. The Company reserves the right to discontinue or withhold water service to such apparatus or device.
- 8.0 DELINQUENT BILLS - When it has been determined that a Customer is delinquent in paying any bill, water service may be discontinued after the Company has mailed or presented a minimum of 5 days written notice to the customer in accordance with Rule 25-30.320, Florida Administrative Code.

9.0 CONTINUITY OF SERVICE - In accordance with Rule 25-30.250, Florida Administrative Code, the Company will at all times use reasonable diligence to provide continuous water service and, having used reasonable diligence, shall not be liable to the Customer for failure or interruption of continuous water service.

If at any time the Company shall interrupt or discontinue its service, all Customers affected by said interruption or discontinuance shall be given not less than 24 hours written notice.

10.0 LIMITATION OF USE - Water service purchased from the Company shall be used by the Customer only for the purposes specified in the application for water service. Water service shall be rendered to the Customer for the Customer's own use and the Customer shall not sell or otherwise dispose of such water service supplied by the Company.

In no case shall a Customer, except with the written consent of the Company, extend his lines across a street, alley, lane, court, property line, avenue, or other way in order to furnish water service to the adjacent property through one meter even though such adjacent property may be owned by him. In case of such unauthorized extension, sale, or disposition of service, the Customer's water service will be subject to discontinuance until such unauthorized extension, remetering, sale or disposition of service is discontinued and full payment is made to the Company for water service rendered by the Company (calculated on proper classification and rate schedules) and until reimbursement is made in full to the Company for all extra expenses incurred for clerical work, testing, and inspections. (This shall not be construed as prohibiting a Customer from remetering.)

11.0 CHANGE OF CUSTOMER'S INSTALLATION - No changes or increases in the Customer's installation, which will materially affect the proper operation of the pipes, mains, or stations of the Company, shall be made without written consent of the Company. The Customer shall be liable for any charge resulting from a violation of this Rule.

12.0 PROTECTION OF COMPANY'S PROPERTY - The Customer shall exercise reasonable diligence to protect the Company's property. If the Customer is found to have tampered with any Company property or refuses to correct any problems reported by the Company, service may be discontinued in accordance with Rule 25-30.320, Florida Administrative Code.

In the event of any loss or damage to property of the Company caused by or arising out of carelessness, neglect, or misuse by the Customer, the cost of making good such loss or repairing such damage shall be paid by the Customer.

- 13.0 INSPECTION OF CUSTOMER'S INSTALLATION - All Customer's water service installations or changes shall be inspected upon completion by a competent authority to ensure that the Customer's piping, equipment, and devices have been installed in accordance with accepted standard practice and local laws and governmental regulations. Where municipal or other governmental inspection is required by local rules and ordinances, the Company cannot render water service until such inspection has been made and a formal notice of approval from the inspecting authority has been received by the Company.

Notwithstanding the above, the Company reserves the right to inspect the Customer's installation prior to rendering water service, and from time to time thereafter, but assumes no responsibility whatsoever for any portion thereof.

- 14.0 ACCESS TO PREMISES - In accordance with Rule 25-30.320(2)(f), Florida Administrative Code, the Customer shall provide the duly authorized agents of the Company access at all reasonable hours to its property. If reasonable access is not provided, service may be discontinued pursuant to the above rule.

- 15.0 RIGHT-OF-WAY OR EASEMENTS - The Customer shall grant or cause to be granted to the Company, and without cost to the Company, all rights, easements, permits, and privileges which are necessary for the rendering of water service.

- 16.0 CUSTOMER BILLING - Bills for water service will be rendered - Monthly, Bimonthly, or Quarterly - as stated in the rate schedule.

In accordance with Rule 25-30.335, Florida Administrative Code, the Company may not consider a Customer delinquent in paying his or her bill until the twenty-first day after the Company has mailed or presented the bill for payment.

A municipal or county franchise tax levied upon a water or wastewater public Company shall not be incorporated into the rate for water or wastewater service but shall be shown as a separate item on the Company's bills to its Customers in such municipality or county.

If a Company utilizes the base facility and usage charge rate structure and does not have a Commission authorized vacation rate, the Company shall bill the Customer the base facility charge regardless of whether there is any usage.

The Company utilizes the Flat Rate Charge the Company shall bill the Customer the Flat Rate Charge regardless of whether there is any usage.

The water bill is the responsibility of the property owner. At the utilities discretion, and if the account is current the property owner may ask the utility to rendered the bill to a renter on single family dwelling, a deposit may held by the utility. If the rental customer fails to pay the bill or vacates the premises all past due amounts will be the responsibility of the property owner.
