Hi Marissa,

Per your request, the docket title has been updated to match the DOS documentation; additionally, the utilities and the parties in CMS have been updated to include the comma after Morgan and the period after Inc.

Thank you for your help,
Dorothy

Subject: 20240118-SU (Docket Title)

Hi Dorothy,

Staff has reviewed the Utility's application in Docket No. 20240118-SU and determined that it erroneously forgot the comma in its Utility's name. Based on the Department of State documentation contained on page 7 of the Utility's application the correct Utility name is: Kirby D. Morgan, Inc.

When possible, please amend the title of Docket No. 20240118-SU to read as follows: Application for grandfather certificate to operate a wastewater utility in Columbia County, by Kirby D. Morgan, Inc.

Thank you,
Marissa Ramos
