Latest is Duke approved hike

But overall the commission is always approving rate hikes

Teco within last year cut rates then approved for a hike

What we need is common people on the commission instead of utility company stuges.

Noone seems to care people of this state suffering its about who fills pockets

I worked 25 years if city goverment so dont tell me I'm wrong I witnessed it all the time.

Dear Mr. Kenneth Privette:

This e-mail is in response to your recent inquiry to the Florida Public Service Commission (FPSC) regarding a rate increase.

It would be beneficial if you could provide the following information:

* The name of the utility.

You may send this information by reply e-mail, or at the address and/or fax number listed below.

Sincerely,

John Plescow

I hope you all are happy

Your always approving rate hikes to destroy this state more and more.

Quite apparent utility companies have you in their pocket

I don't know how any of you sleep ..I guess on your bed of money
