Please don't increase the electricity rate in Hillsborough County. Families, myself included are already living paycheck to paycheck.

This is more of an explanation than a complaint. My monthly income is about \$2313.40, my monthly bills add up to \$1414.96. That leaves me with \$898.44 a month to purchase, gas, groceries, and medications. Do you honestly believe that a rate increase will help me?? I say let Walmart figure out how to pay their bills just like I have to. One day at a time. Respectfully, Carol Byron 1260 Las Brisas Ln, Winter Haven, FL.

Comments:

If TECO raises rates, then they should raise their payout rate for solar systems giving back to grid at a 1 to 1 ratio.
