CLERK

Thank you for the quick response. We represent Stratus. I apologize for not making that clear. As you may know, AT&T does not permit interconnecting companies to begin ordering services under an ICA until the PSC approves it. Stratus is ready to place orders and serve customers but has to wait for PSC approval to begin.

Good afternoon Michael,

Thanks for reaching out. I can talk to our staff to see if that is possible. Do you represent AT&T or Stratus? Also, does your client have a specific reason for needing an expedited review?

Mr. Farooqi:

I hope you are doing well. I am emailing to confirm whether there is any way to expedite review of the application in the above-referenced matter or are the dates in the CASR timeline consistent with when we can expect Commission action? I think I know what the answer will be, but our client requested we make the inquiry.

Regards,
Michael
