Ms. Ellen Plendl, FPSC

Good Afternoon !

FPSC Docket No. 20210015 FPL Account No. 26582 57510

Your response puzzles me, as all that you have stated in your response has been known for some time now.<<<<<

What is your primary objective Ms. Plendl ?<<<<<

Are you trying to confuse me ?<<<<<

Overview:

The FPSC committed an injustice, and also made a terrible mistake when they approved of the monetary increase for

individuals such as myself as FPL was able to successfully circumvent their dishonest effort to secure

same at a Senior Citizen expense !

Your repetitive response was not copied to the FPSC Commissioners ?<<<<<

Where do we proceed to from here Ms. Plendl, as I am still being monetarily

penalized every month for my Lower KWH Usage, when in essence I should

of been monetarily rewarded for same by FPL.<<<<<

Kindly refrain from playing head games with me Ms. Plendl as I am a well versed, and also

very intelligent US Navy Veteran.

Thank You.

Kind Regards,

Michael J. Walsh

RE: FPSC Inquiry 1398580C ??????

Dear Mr. Walsh:

This is in response to your August 23, 2024 E-mail to the Florida Public Service Commission (FPSC) regarding Florida Power & Light Company's (FPL) minimum billing charge.

The Florida Public Service Commission approved Florida Power & Light Company's general base rate settlement agreement in Order No. PSC-2021-0446-S-EI, issued on December 2, 2021, in Docket No. 20210015-EI. The settlement agreement was entered into by FPL and various parties representing consumers, including the Office of the Public Counsel (OPC) who advocates on behalf of Florida consumers. The settlement agreement includes numerous provisions with regards to FPL's base rates through the end of 2025.

The agreement included a provision that will raise the minimum bill charge to \$25 for all residential and general service non-demand customers. The minimum bill provision went into effect in June 2022. FPL was to notify its customers of the new minimum bill in bill inserts 30 days prior to implementation.

The FPSC issued final order PSC-2024-0078-FOF-EI on March 25, 2024, which includes in part, the provision that the minimum billing charge remains in effect and part of the company's tariff. You may review the order by using the following link:

We have added your concerns to our files as a protest to the FPL's Rate Case, docket 20210015.

If you have any questions, please contact me at 1-800-342-3552 or by fax at 1-800-511-0809.

Ellen Plendl
