Subject: Denying EU Application for Wastewater Service

We are full time residents of Palm Island at 46 Tarpon Way and have lived here since 2008. We have not asked for or want sewers on our beautiful island which is home to many native creatures and wildlife. This would create a situation that island residents have not requested in any shape or form. We oppose this application for sewers vehemently and have maintained well functioning septic systems for over 2 decades! Please reject this request! Thank you Sincerely Andrea and Gerry Illiano 46 Tarpon Way Placida 33946 Palm Island
