COMPLAINT INFORMATION

Complaint: Other Complaints against Duke Energy Florida, LLC d/b/a Duke Energy

Details:

This commission allows Duke energy to constantly increase their rates, yet here i pay:

Consumer Charge: \$12.89

Energy Charge: \$91.71

Energy Charge Overage: 114.32

Fuel Charge \$43.72

Fuel Charge overage: \$61.77

Asset Securitization Charge: \$4.85

and don't forget the 54 dollars worth of taxes added on to the.

Regulatory Assesment Fee \$.29 what is this ?

Gross Receipts Tax: \$8.45

Municipal Franchise Fee: \$18.25 (I didn't know I had a franchise) Municipal Utility Tax: \$26.57

Gross Profit for Duke energy was \$19.38 billion and this commission continues to grant rate increases for this company. Half of my bill is fuel charges. The amount of \$ i'm paying in their fuel charges alone can cover my fuel expenses for half

of a month. This commission is corrupt or has \$ invested in the vanguard group. I don't know who else to bitch to, because none of you politicians care about the people.

In the last 5 years my electric bill has gone up 200 a month from fuel charges and electric increases.
