Re: Docket No. 20240099-EI, Petition for rate increase by Florida Public Utilities Company.

Dear Mr. Haffecke:

On August 22, 2024, Florida Public Utilities Company (FPUC or Company) filed a petition requesting authority to increase its rates and charges for electric service pursuant to Chapter 366, Florida Statutes and Rule 25-6.043 Florida Administrative Code (F.A.C.). On September 13, 2024, the Office of the Public Counsel (OPC) submitted a letter with observations regarding FPUC's filing. FPUC submitted a response to OPC's letter on September 20, 2024.

In accordance with Rule 25-6.043, F.A.C, the petition must be accompanied by certain minimum filing requirements and copies of prepared direct testimony and exhibits for each witness testifying on behalf of the Company in support of the requested increase. We have reviewed the Company's August 22, 2024 filing and OPC's September 13, 2024 comments and have determined that the Company has met the filing requirements of this rule.
