Re: Docket No. 20240046-GU - Petition for rate increase by St. Joe Natural Gas Company, Inc.

Dear Ms. Keating:

1. Please refer to SJNG's October 3, 2024, response to staff's sixth data request. In regards to the replacement trucks:
 - a) A trade-in vehicle was listed on the purchase of the 2022 F150, last four VIN of 1262. The trade-in was a 2020 Jeep Gladiator. Was the Jeep a vehicle of the regulated utility? If not, to whom did the Jeep belong and why was it used to purchase a vehicle for the regulated business?
 - b) An invoice for 2 additional F150s was also submitted for the total of \$95,475.40. Were both of these vehicles purchased for the regulated utility?
 - c) Please provide a list of all vehicles for the regulated utility, their purchase price (including any upgrades), and a list of who is assigned to each vehicle.

2. Please refer to SJNG's September 23, 2024, response to staff's fourth data request question two "b", What is the allocation between the different industries for director fees?
3. How many employees does St. Joe Natural Gas Company currently employ and does it intend to hire anymore?
