Pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code, Florida Public Utilities Company (FPUC or Company) requests confidential classification of certain information filed in the above-referenced docket, dated October 14, 2024.

The Company is claiming confidentiality of its filing under Section 366.093(3)(a), F.S., and Section 366.093(3)(d), F.S. Per the Statute, propriety of confidential business information includes, but is not limited to: Subsection (a) "[t]rade secrets," and Subsection (d) "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms."

More specifically, the information contains negotiated rates, terms, and conditions of specific contractual information. The disclosure of this information would impair the FPUC's ability to negotiate favorable rates in the future, to the detriment to the Company and its customers.

Staff has reviewed the Company's information and confidentiality request. It is staff's opinion that the information subject to this request meets the criteria for confidentiality contained in Section 366.093(3)(d), F.S.
