RE: Docket No. 20240099-EI – Petition for rate increase by Florida Public Utilities Company.

Dear Ms. Keating:

By this letter, the Commission staff requests that Florida Public Utilities Company (FPUC) provide responses to the following data requests:

1. Referring to FPUC's responses in staff's third data request, please provide a response to question #2 regarding the term of the TCRR (e.g.: 2025-2030, 2025-2035 etc.) and its intended implementation date.
2. Referring to FPUC's response in staff's third data request #4, please expand upon the statement that "the technology being implemented is ultimately necessary and will provide well-defined benefits to customers."

3. Referring to the First Revised Sheet No. 23 (legislative version)/proposed Sheet No. 6.012 (clean version), regarding deposits for binding cost estimates for undergrounding facilities, please provide reasons for the proposed revisions to deposit amounts for new construction and for conversions.
4. Referring to Sheet No. 6.023 regarding temporary service charges, please explain why FPUC is proposing a Temporary Service charge of \$135.00 when Schedule E-7, page 6 of 6 calculations indicates the actual cost to be \$128.57.

Please file all responses electronically no later than Friday, November 15, 2024, through the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form. *In addition, please email the filed response to discovery-gcl@psc.state.fl.us.*

Please feel free to call me at (850) 413- 6218 if you have any questions.

Sincerely,
