Governor DeSantis,

Please take action to rein in the monopolistic policies and price-gouging by Florida Power and Light. Our bills are double what we paid to Gulf Power, and we are using less energy due to installing better windows last year. Another request for a rate increase is ludicrous. They are obviously mis-handling what we already pay. Please make this stop. Thank you.

Mr. Kenneth L. Ocker, Jr.

Dear Mr. Ocker:

The Governor's office forwarded a copy of your email regarding Florida Power & Light Company (FPL) to the Florida Public Service Commission (FPSC). The FPSC regulates investor-owned electric, and natural gas utilities throughout the state, and investor-owned water and wastewater utilities in those counties which have opted to transfer jurisdiction to the FPSC. The FPSC has authority in the telephone industry which is limited to the Lifeline Assistance Program, Florida Relay Service, and pay telephone service. We appreciate the opportunity to respond directly to you.

You expressed concern about FPL's petition for limited proceeding for recovery of incremental storm restoration costs related to Hurricanes Debby, Helene, and Milton. We will add your comments to Docket 20240149 regarding the petition.

You may review all the information filed for Commission consideration in docket 20240149 by accessing the FPSC website at <http://www.floridapsc.com>. Under the Clerk's Office tab at the top of the page, click on Dockets. Type in the docket number 20240149. Click the Search button. Then select Document Filings Index for a list of all filings in the docket. This procedure allows you to view all of the information filed by the utility and other parties in the docket.

If you have any questions, please contact me at 1-800-342-3552 or by fax at 1-800-511-0809.

Sincerely,

Ellen Plendl
