Hello!

My name is Michelle Welch and I own a home on Little Gasparilla Island at 9384 Little Gasparilla, Placida, FL 33946. Our family home was destroyed by Hurricane Ian and we have been rebuilding ever since. The rebuild has wiped out our retirement fund and we DO NOT have the money to buy into this inefficient and ineffective septic system that is proposed for this island. We do not want it. This is not the best option for our island or for the environment.

Best Wishes,

Michelle Welch
