Lance,

Happy new year to you as well! As you know, plan to take a recommendation to the agenda conference next Tuesday, which is recommending that the ETC petition be denied for failure to provide information necessary to make a determination. We cannot hold the docket in abeyance at the moment because we do not have the basis to do so with the information provided by Prepaid Wireless.

If you decide to withdraw the petition before the matter is considered by the Commission on Tuesday, you can send us an email asap requesting to withdraw the petition. We will put the email in the docket file, consider the petition withdrawn, and will take the it off the schedule for the agenda conference next week. Your client can still reapply for ETC designation after withdrawing. Please let us know by close of business today what you wish to do.

Thanks,
