Re: Docket No. 20230083-WS - Application for increase in water and wastewater rates in Orange County by Pluris Wedgefield, LLC

Dear Mr. Teitzman:

On July 24, 2024, Pluris Wedgefield, LLC. (“Utility”), pursuant to Commission Order No. PSC-2024-0118-PAA-WS, and Commission Rule 25-30.360, filed a preliminary Refund Report of the refund of interim rates, and of the fire protection charges. All refunds had been made at that time. However, that preliminary Refund Report failed to show the amount and status of unclaimed funds to date.

As of today, there are 19 uncashed refund checks totaling \$449.38. As noted previously, one check Utility for \$1.07 has been returned to the Utility as the payee is deceased. Those funds will continue to be held by the Utility until all refund checks have been cashed and will be reported in accordance with the Rule.

Additional Refund Reports will be filed as required by the Rule. Should you or Staff have any questions regarding this please do not hesitate to contact me.

Very truly yours,

/s/ Martin S. Friedman
