In re: Petition for rate increase by Florida Public Utilities Company. | DOCKET NO. 20240099-EI

FPUC'S RESPONSES TO STAFF'S TWENTY FOURTH SET OF DATA REQUESTS

1. Referring to response No. 12 in Staff's Third Data Request filed in October 2024, the response states that the large industrial standby tariff customer to be moved to the GSLD- 1 tariff has questions regarding the move and that the Company is working through the process of providing information to the customer. Please provide an update regarding the current status of the process of moving the customer to the GSLD-1 tariff and if the customer's concerns have been addressed.

Company Response:

There have been several conversations with the customer regarding the move from the Standby tariff to the GSLD-1 tariff as part of this rate proceeding. The GSLD-1 tariff will reduce the demand charge and provide a financial benefit to the customer. The customer is in favor of this change. At this time, we believe all the customer's outstanding questions regarding the GSLD-1 tariff have been answered.
