COMMISSION
CLERK

Dear Mr. Friedman:

Staff has reviewed the minimum filing requirements (MFRs) submitted on December 13, 2024, on behalf of K W Resort Utilities Corp. (K W or utility). After review, we find the MFRs to be deficient. The specific deficiencies are identified as:

Deficiencies

1. Rule 25-30.437(1), Florida Administrative Code (F.A.C.), requires a utility to complete MFRs. For the following items listed below, please correct the MFRs to address the errors as well as correct any fallout figures:
 - a. For wastewater, the private lift station and general service 3/4" rates shown on Schedule E-2 do not match the tariffed rates shown on Schedule E-1. Please address the fall out for any changes made.
 - i. Schedule E-2, pg. 1 of 1, line 09, column 4
 - ii. Schedule E-2, pg. 1 of 1, line 34, column 4
 - b. For wastewater, the private lift station cumulative gallons presented at the 11,000 consumption level is incorrect for the 1.5-inch meter size shown on Schedule E-14. Therefore, the total gallons are understated by 9,000 gallons. Please address the fall out for any changes made.
 - i. Schedule E-2, pg. 1 of 1, line 44, column 3

Mr. Martin S. Friedman, Esquire

If the specific deficiencies above require a corresponding change to any MFR schedule, those corrected schedules must also be submitted in accordance with Rule 25-30.436(4), F.A.C. Your petition will not be deemed filed until the deficiencies identified in this letter have been corrected. These corrections should be submitted no later than **February 13, 2025**, to the following address:

Office of Commission Clerk
Florida Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, FL 32399-0850

Should you have any questions concerning the information in this letter, please feel free to contact Matthew Sibley (850) 413-6516 or msibley@psc.state.fl.us for questions.

Sincerely,

A handwritten signature in blue ink that reads "Elisabeth Draper". The signature is written in a cursive style with a large, stylized "E" and "D".
