Subject: RE: DOC#20240011

John,

Please send to clerk's office.

Thanks

C'Griffin-Greaux

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

This area can not sustain a water plant for Water Lily development. Salt water intrusion will hamper the crops being grown. The area is a farming community and needs it's water to be in business. You can not hardly move your tractors from field to field for the traffic.

Thank you,
Richard Jones
