Please deny the application for a new water treatment plant requested by Riverdale Utility Holding Inc. Document # Doc# 20240011 in support of a Water Lily Development.

Our freshwater springs are already under attack. We live in a state supported by limestone formation now subject to salwater intrusion from searise.

So, WHY would the State government approve applications for Water that will have a negative effect on our current water supply.

Please DENY this application.

Thank you.
