Subject: Protesting the application for water Doc # 20240011

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

An approval should not be issued for a water plant. The water plant is not needed. An additional 3000 homes would be detrimental to our communities. The increase in traffic and the additional costs to our communities to provide money and resources for those residents would be devastating.

Sincerely
Doris HJERLING
St John's county home owner
