To Whom It May Concern:

We highly oppose this hike in our county! We just moved here six months ago, trying to get away from the bigger cities. We are on a set income, retired, and our hope was to get by every month when we moved here. Now, there will be an increase in our county and another?? This is sooooo unfair to us.

There has to be another way around this without placing this burden on us.

Please do not do this!

Sincerely,

A new unhappy resident of Marianna
