PSC MEMBERS:

My wife Gail and I are homeowners on LGI, having built our home in 2009. . Our names were mentioned at your hearing as being in support of the Jack Boyer initiative for sewage conversion on our island. Ms. Karyn Fleteau testified to the commission that we had signed a proxy and we're totally in favor of this endeavor. We are not; we NEVER signed such a proxy and when we directed our concerns to Ms Fleteau, she confirmed from Jack Boyer's wife that we had never signed and sent back the form. We are not at this time in favor of proceeding with Jack Boyer to do the project. I'm willing to listen to more, but at this time I'm not in favor of

proceeding with his company to do this. Please know that this was ( hopefully) an honest mistake and that John and Gail McNair are not, as erroneously indicated by Ms Fleteau's testimony, in favor of this.

Please feel free to contact me if there are any further questions or concerns. I can be reached at 404-357-0316.

Respectfully,

John McNair, MD
