

FLORIDA PUBLIC SERVICE COMMISSION

VOTE SHEET

February 4, 2025

FILED 2/4/2025  
DOCUMENT NO. 00665-2025  
FPSC - COMMISSION CLERK

Item 5

Docket No. 20240148-EG – Petition for approval of proposed demand-side management plan, by Peoples Gas System, Inc.

**Issue 1:** Should the Commission approve Peoples Gas System’s proposed DSM Plan and program standards?

**Recommendation:** Yes. The DSM Plan proposed by PGS is projected to exceed the annual numeric conservation goals approved by the Commission in the 2024 Goalsetting Order. PGS’s proposed DSM Plan is primarily a continuation, with some minor modifications, of its DSM portfolio used to establish the goals approved by the Commission in the 2024 Goalsetting Order. The programs within PGS’s proposed DSM Plan are projected to be cost-effective based upon both the G-RIM and Participants Tests.

Therefore, staff recommends that the Commission should allow PGS to file for cost recovery of the programs included in its proposed DSM Plan in the Natural Gas Conservation Cost Recovery (NGCCR) proceeding. However, PGS must demonstrate that the expenditures to implement its DSM programs are reasonable and prudent in order to recover those expenditures in the NGCCR.

PGS also submitted its administrative program standards with its proposed DSM Plan. Staff has reviewed PGS’s administrative program standards and recommends that the Commission find they are consistent with the Utility’s proposed DSM Plan submitted for approval. Staff requests that PGS be required to notify the Commission prior to any changes being made to the program standards as filed.

**APPROVED**
