RE: FPSC Inquiry 1463882C

Dear Mr. Robinson:

The Governor's office forwarded a copy of your email regarding Duke Energy Florida (DEF) and Tampa Electric Company (TECO) to the Florida Public Service Commission (FPSC). The FPSC regulates investor-owned electric, and natural gas utilities throughout the state, and investor-owned water and wastewater utilities in those counties which have opted to transfer jurisdiction to the FPSC. The FPSC has authority in the telephone industry which is limited to the Lifeline Assistance Program, Florida Relay Service, and pay telephone service. We appreciate the opportunity to respond directly to you.

You expressed concern about DEF's and TECO's petitions for limited proceeding for recovery of incremental storm restoration costs related to Hurricanes Debby, Helene and Milton. We will add your comments to Docket Nos. 20240173 and 20240172 regarding the petitions, respectively.

You may review all the information filed for Commission consideration in Docket nos. 20240173 and 20240172 by accessing the FPSC website at <http://www.floridapsc.com>. Under the Clerk's Office tab at the top of the page, click on Dockets. Type in the docket number 20240173 or 20240172. Click the Search button. Then select Document Filings Index for a list of all filings in the docket. This procedure allows you to view all of the information filed by the utility and other parties in the docket.

If you have any questions, please contact me at 1-800-342-3552 or by fax at 1-800-511-0809.

Sincerely,

Shonna McCray
