Dear Ms. Dawn Dickey:

This email is in response to your recent inquiry to the Florida Public Service Commission (FPSC).

It would be beneficial if you could provide the following information:

- The name of the Utility in question so that we may file a protest for you

You may send this information to me by reply e-mail or at the address and/or fax number listed below.

Sincerely,

John Plescow

It is an absolute joke that your mission statement is to facilitate utility services at fair prices but increase people's electric so you can put more money in share holders pockets.

You certainly don't care about the average person, just make more money for yourselves and the corporation.

You guys are totally useless

Dawn Dickey
