COMPLAINT INFORMATION

Complaint: Other Complaints against Tampa Electric Company
Details:

The TECO rate increase is absolutely ridiculous. As if we don't pay enough as it is, you want to increase all of our electric bills to cover for a natural disaster. I know for a fact that emergency funds are available for these natural disasters for companies like TECO and Duke Energy. There is no reason to increase each homeowners rates, especially when a lot of us are trying to find funds to make repairs from Milton that insurance is not covering.
