Request for Confidential Classification for Document No. 00238-2025

On January 13, 2025, Peoples Gas System, Inc. (PGS or utility) filed a request for confidential classification for Document No. 00238-2025. This document consists of highlighted information from Exhibit A to the petition (Document No. 00223-2025). This document contains certain information demonstrating the utility's updated methodology for calculating storage contracts costs. PGS stated that the utility treats the highlighted information provided in Document No. 00238-2025 as confidential. Staff has reviewed the document and concurs with PGS that the nature of this document meets the requirements set forth in Sections 366.093(a) and (e), Florida Statutes, whereby disclosure of the information would harm the competitive business operations of PGS. Therefore, staff recommends that the request by PGS for confidential classification of Document No. 00238-2025 be approved.
