COMPLAINT INFORMATION

Complaint: Other Complaints against Duke Energy Florida, LLC d/b/a Duke Energy
Details:

Duke Energy continues to rapidly increase the cost of their services, the most recent one due to "hurricane costs" yet they're receiving tax breaks for their losses and inability to accrue revenue from those who lost their homes. It isn't right to continually increase the bills to those who didn't lose their homes when there already receiving government assistance for their "losses".
