To whom it may concern ;

Who are the not to bright people who gave Duke Energy an increase considering the below statement?

**Duke Energy gross profit for the twelve months ending September 30, 2024 was \$20.364B, a 7.18% increase year-over-year.**

**Revenue: US\$8.15b (up 2.0% from 3Q 2023). Net income: US\$1.20b (down 13% from 3Q 2023). Profit margin: 15% (down from 17% in 3Q 2023). The decrease in margin was driven by higher expenses.**

**Now I understand there net income was only 1.2 billion dollars (the last quarter).**
