Dear Gov Desantis.. how can Duke.. Teco and the other agencies be allowed to keep on raising power rates.. EVERY YEAR because of Hurricanes they raise it and it is getting ridiculous. Something needs to be done about it. The State needs to along with the companies put a hurricane fund together to draw from to be used for the damage.. and quit making people not being able to afford power bills.. If you have a way to veto this insane hike please do... the citizens will be forever grateful
