Subject: FPL MINIMUM BASE CHARGE- 2022 ?

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Representative Hillary Cassel, Florida House District 101

Good Day !

Senior Constituent Pertinent Feedback & Request:

FPL Account No. 26582 57510 US Navy Veteran

Ref : FPL Minimum Base Charge 2022 <<<<<

Over the preceding several years my FPL account has been monetarily penalized primarily due to the oversight that occurred by the FPSC

when they mistakenly granted FPL permission to levy an extra charge on individuals such as myself for our minimum KWH usage of power every

month since the year 2022. This inappropriate charge will also continue until the end of 2025.<<<<<

As your loyal constituent I personally feel that your office should be made fully aware of what FPL has been able to levy upon customers such as myself for

no good cause, when in essence we should have been rewarded, and also commented for our diligent sacrifice by FPL.<<<<<

It is also very difficult to comprehend as to how the FPSC could have granted FPL permission to monetarily penalize individuals such as myself . <<<<<

FPL is no doubt a conglomerate that could care less, otherwise none of what has occurred to individuals such as myself never would have occurred.

The Office of Public Counsel also mistakenly informed the FPSC that the general public would not object to the extra charge every month, when in

essence nothing could be farther from the truth.<<<<<

In Summation:

Your direct assistance is being respectfully requested in order to hopefully have the minimum base charge removed from my account as I am retired, and also living

on a fixed income.

Thank You.

Respectfully,
