Teco and Duke Raising Prices

Can the Governor please step in and stop Teco from screwing over their customers again, please see below. Our bills are already outrageous.

After hurricanes Helene and Milton, linemen deployed all over the Tampa Bay area to restore power. Now it's time for customers to help cover that cost.

Duke and TECO customers will see around \$20 added to their monthly bill for storm recovery.

TECO customers will notice a "Storm Restoration Charge" on their bills for the next 18 months.

I cannot believe that you raise \$20.00 to our electric bill. I am only getting 1500 from Social Security and my electric bill right now is \$195.00 every month and my rent 1,200. What do you think people like me would do? I voted for Trupm and I started to regret it because of you. I will not vote for you again, period. You are not conscience of what you are doing to retirees. Is my retirement check going up or not????? I need an answer ASAP.
