VOTE SHEET

FILED 3/4/2025
DOCUMENT NO. 01300-2025
FPSC - COMMISSION CLERK

March 4, 2025

Docket No. 20240167-EG – Petition for approval of demand-side management plan, by JEA.

Issue 1: Should the Commission approve JEA’s DSM Plan and program standards?

Recommendation: Yes. JEA’s DSM Plan is consistent with the proposed programs used to establish its DSM goals and is projected to meet the annual numeric conservation goals approved by the Commission in the 2024 Goalsetting Order. Staff has reviewed JEA’s program participation and administrative standards and they appear to be consistent with JEA’s DSM Plan. Therefore, staff recommends that JEA’s DSM plan and program standards be approved. JEA’s local governing body will make its own determination as to whether expenditures are reasonable and prudent. In addition, staff requests that JEA notify the Commission prior to modifying its DSM Plan or program standards.
