**Subject:** FPL MINIMUM BASE cHARGE- 2022 ?

**Representative Hillary Cassel,**

**Florida House District 101**

**Good Day !**

**Senior Constituent Pertinent Feedback & Request:**

**FPL Account No. 26582 57510 US Navy Veteran**

**Ref : FPL Minimum Base Charge 2022 <<<<<**

**Over the preceding several years my FPL account has been monetarily penalized primarily due to the oversight that occurred by the FPSC**

**when they mistakenly granted FPL permission to levy an extra charge on individuals such as myself for our minimum KWH usage of power every**

**month since the year 2022. This inappropriate charge will also continue until the end of 2025.<<<<<**

**As your loyal constituent I personally feel that your office should be made fully aware of what FPL has been able to levy upon customers such as myself for**

**no good cause, when in essence we should have been rewarded, and also commented for our diligent sacrifice by FPL.<<<<<**

**It is also very difficult to comprehend as to how the FPSC could have granted FPL permission to monetarily penalize individuals such as myself . <<<<<**

**FPL is no doubt a conglomerate that could care less, otherwise none of what has occurred to individuals such as myself never would have occurred.**

**The Office of Public Counsel also mistakenly informed the FPSC that the general public would not object to the extra charge every month, when in**

*essence nothing could be farther from the truth.<<<<<*

**In Summation:**

*Your direct assistance is being respectfully requested in order to hopefully have the minimum base charge removed from my account as I am retired, and also living on a fixed income.*

*Thank You.*

*Respectfully,*

*Michael J. Walsh*
