FEDERAL COMMUNICATIONS COMMISSION
Washington, D.C. 20554

In the Matter of

Section 63.71 Application of

File No.

Granite Telecommunications, LLC
For Authority Pursuant to Section 214 of
The Communications Act of 1934, As Amended,
To Grandfather the Provision of Legacy Voice Service

COMMISSION
CLERK

2025 MAR 11 AM 9:54

RECEIVED-FPSC

REDACTED

SECTION 63.71 APPLICATION OF GRANITE

Granite Telecommunications, LLC (“Granite” or the “Company”) hereby applies for authority under Section 214(a) of the Communications Act, as amended, 47 U.S.C. § 214, and Section 63.71 of the Federal Communications Commission’s (“Commission”) rules, 47 C.F.R. § 63.71, to grandfather legacy voice service in certain wire centers located in 18 states.

INTRODUCTION

Through this application, Granite seeks to grandfather legacy voice service (“Affected Service”). This legacy voice service is often referred to as plain old telephone services or “POTS.” Granite seeks to grandfather this service in portions of wire centers in 18 states (“Affected Service Area”) in which AT&T is grandfathering POTS.

Granite provides the Affected Service on a resale basis. The Company purchases legacy voice service from AT&T on a wholesale basis (“AT&T Wholesale POTS”) and resells that service to end user business customers in the Affected Service Area. On January 15, 2025, AT&T notified Granite that it is grandfathering AT&T Wholesale POTS effective on or after March 17, 2025. AT&T stated that Granite’s existing customers may retain their current POTS,

but effective on or after March 17, 2025, AT&T will no longer allow new orders, renewal of service agreements, or requests for physical changes to the service (including moves to different service addresses).

Once AT&T completes this grandfathering process, Granite has no choice but to grandfather the Affected Service. At the same time, customers have cost-effective alternatives to choose from as alternatives for the Affected Service. These options include Granite's EPIK service, which is a cutting-edge Managed Facilities-based Voice Network ("MFVN") voice service, as well as Granite's industry-leading VoIP and cloud voice services, and Granite's resold cable managed VoIP services.

APPLICATION

As required by Section 63.71 of the Commission's rules, Granite provides the following information:

Name and Address of Carrier:

Granite Telecommunications, LLC
One Heritage Drive,
Quincy MA, 02171

Date of Planned Service Grandfathering:

Granite plans to grandfather the Affected Service on or after **March 17, 2025**, pending regulatory approval and effective when AT&T Wholesale POTS is grandfathered. Granite's existing customers may retain the Affected Service, but will no longer be allowed new orders, renewal of service agreements, or requests for physical changes to service (including moves to different service addresses).

Points of Geographic Areas of Service Affected:

Granite plans to grandfather the Affected Service in the areas where AT&T has stated it will grandfather AT&T Wholesale POTS, which is in sections of 18 states: Alabama, Arkansas, Florida, Georgia, Illinois, Indiana, Kentucky, Louisiana, Michigan, Missouri, Mississippi, North Carolina, Ohio, Oklahoma, South Carolina, Tennessee, Texas, and Wisconsin. Exhibit 1 identifies the list of AT&T wire centers in each state that include any service areas that fall within the Affected Service Area, as defined by AT&T.

Brief Description of Type of Service Affected:

Granite plans to grandfather its business local exchange service in the Affected Service Area. That service provides individual business customers with telecommunications service within a specified geographical area for local calling and access to and from the telecommunications network for long distance message telecommunications service.

Brief Description of the Dates and Method of Notice to All Affected Customers:

Customer notices were sent via email and U.S. Mail on February 18, 2025 and February 26, 2025, respectively to Granite customers of the Affected Service. Most customers received notice via email on February 18, 2025. Granite has previously obtained express, verifiable, prior approval from all of its customers to send notices via email regarding their service. However, where Granite does not have an email address for the customer that is sufficiently reliable or where Granite's email notice was returned as undeliverable, Granite sent the notice to the customer via U.S. mail on February 26, 2025.

A representative copy of the customer notice sent via email is attached hereto as Exhibit 2, and a representative copy of the customer notice sent via U.S. Mail is attached hereto as Exhibit 3. Copies of this Application are being sent via first class U.S. Mail to the governor,

public utility commission, federally recognized tribes (if any) in the Affected Service Area, and to the Special Assistant for Telecommunications to the Secretary of Defense, as required by 63.71(a) of the Commission's rules.

Regulatory Classification of Carrier:

Granite offers the Affected Service pursuant to non-dominant carrier regulation.

Questions about this application may be addressed to Joshua Ruby, Granite Telecommunications, LLC, One Heritage Drive, Quincy MA, 02171, 857-374-5816.

Public Convenience and Necessity:

Granite seeks the Commission's approval to grandfather the Affected Service because AT&T is grandfathering its wholesale provision of that service. As stated, Granite provides the Affected Service by purchasing AT&T Wholesale POTS and reselling that service to end user business customers in the Affected Service Area. Granite cannot purchase POTS from any other carrier because no carrier other than AT&T provides POTS in the Affected Service Area, and Granite cannot provide the service any other way. On January 15, 2025, AT&T notified Granite that it is grandfathering AT&T Wholesale POTS effective on or after March 17, 2025. Exhibit 4 contains the wholesale service grandfathering notifications that AT&T sent to Granite for the AT&T Wholesale POTS purchased by Granite pursuant to the parties' Local Wholesale Complete Agreement and pursuant to the parties' interconnection agreements. The grandfathering of AT&T Wholesale POTS will effectively grandfather Granite's retail POTS service (i.e., the Affected Service) in the Affected Service Area.

Granting this application is consistent with the public convenience and necessity. To begin with, it is sound public policy for the Commission to grant resale carriers like Granite the

authorization to grandfather services where their underlying wholesaler's decision to grandfather leaves the reseller no alternative but to do the same.

As stated, once AT&T grandfathers AT&T Wholesale POTS, Granite's existing customers who purchase the Affected Service may retain their current POTS, but Granite will not be able to allow new orders, renewal of service agreements, or requests for physical changes to service (including moves to different service addresses). At the same time, customers have cost-effective alternatives to choose from as alternatives for the Affected Service. These options include Granite's EPIK service, which is a cutting-edge MFVN solution. Granite's EPIK service enables end users to utilize their analog devices to receive voice service via a wide range of underlying transmission technologies, softswitch technology, Ethernet, FSX, and LTE. EPIK is superior to typical SIP or wireless voice offerings because it meets the technical requirements for specialty dial-tone based applications, such as fire and safety systems.¹ Granite also offers industry-leading VoIP and cloud voice services as well as resold cable managed VoIP services.²

AT&T has filed its own application for Commission approval to grandfather its retail POTS in the Affected Service Area.³ The POTS offerings covered by the AT&T application include the same services as AT&T Wholesale POTS and the same Affected Service at issue in this application. In fact, AT&T stated in its application that it encompasses POTS purchased by

resellers.⁴ The Commission's public notice announcing its acceptance of the AT&T application states that, in accordance with section 63.71(k)(3) of the Commission's rules, the AT&T application will be deemed granted automatically on March 1, 2025, unless the Commission notifies AT&T that its grant will not be automatically effective.⁵ Unless the Commission notified AT&T otherwise, the AT&T application has now been automatically granted. The same policy justifications support granting the instant application.

CONCLUSION

For the reasons identified above, the public convenience and necessity will not be adversely affected by the grandfathering of the Affected Service. Granite respectfully requests the Commission approve its Section 63.71 Application to grandfather service.

Notice

[REDACTED]

Please see an updated notice from Granite Telecommunications regarding limitations to your TDM voice services in certain locations served by AT&T. AT&T has announced service restrictions at wire centers beginning on **March 17, 2025**, that may impact your current service. The updated notice has language the FCC requires that we include in notices like this one.

Granite is here to support you through this transition and offer reliable alternative solutions. Please visit [Granite Website - POTS Alternatives](#) for more information. Your dedicated Sales Representative and Premier Account Manager will be in touch with you soon to discuss your options. Please do not hesitate to reply to this email with any questions.

AT&T GRANDFATHERING SPECIFIC WIRE CENTERS Granite Notice Related to AT&T Grandfathering.

Granite Customers:

This letter is to inform you of an important change related to your traditional copper-based telecommunications services. In January 2025, Granite Telecommunications, LLC ("Granite") received notifications from AT&T stating that a number of AT&T wire centers are going to be "Grandfathering" services as part of their initiative to transition away from providing copper-based services. Beginning March 17, 2025, AT&T will no longer accept orders to add, move, or change existing service at this designated group of wire centers. This includes physical and billing adds, moves, and changes, such as select feature changes, new installations, billing conversions, and address moves.

Granite's records indicate that you receive services which will be impacted by this change. AT&T has publicly stated that it will also seek to discontinue these services at some point and will seek to grandfather and/or discontinue copper-based service in other geographic regions in the not distant future.

As a leader in innovative connectivity solutions, Granite offers a range of reliable and cost-effective alternatives, including, EPIK (POTS Replacement), Voice over Cable, Voice over IP (VoIP), Wireless, and additional tailored solutions based on your business needs.

We recognize the importance of a seamless transition and are committed to supporting you throughout this process. Our team is ready to assist in evaluating your current services and implementing the best alternatives to meet your needs. If you have any questions or concerns, please do not hesitate to contact your Granite Premier Representative, your Granite Sales Representative, or Granite Customer Service (866-847-5500).

Thank you,

Granite Telecommunications, LLC

We're required by the FCC to provide the following statement:

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 10 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the section 63.71 application of Granite Telecommunications, LLC. Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.

AT&T Business

January 15, 2025

Granite Telecommunications, LLC
ATTN: Rand Currier
100 Newport Avenue Extension
Quincy, MA 02171
Email: rcurrier@granitenet.com

Hello Rand Currier:

As AT&T continues its transformation to future-ready connectivity and solutions and away from legacy copper-based services, AT&T will be "Grandfathering" the services it provides pursuant to the Local Wholesale Complete Agreement it has with your company. Beginning March 17, 2025, AT&T will no longer accept orders for Local Wholesale Complete (LWC) – Business, Residential, and Business PBX to add, move, or make physical changes to existing service in the wire centers listed below.

Our records indicate that you currently purchase LWC Service within at least one of the AT&T wire centers impacted by these changes.

We're pleased to offer AT&T Phone for Business Advanced to replace your LWC – Business service. We're ready to provide support when and how you need it. Please contact your Account Manager with any questions you may have.

We know you have a lot of choices in service providers, and thank you for continuing to choose AT&T.

Thank you,
Notice Manager

Below is a full list of AT&T wire centers affected by this notice:

Alabama: Attalla(ATTLALNM), Bridgeport(BRPTALMA), Birmingham(BSMRALBP), Childersburg(CHBGALMA), Cordova(CRDVALMA), Carbon Hill(CRHLALNM), Courtland(CRLDALMA), Citronelle(CTRNALNM), Dadeville Main(DDVLALMA), Dora(DORAALMA), Boligee -West(EUTWALBO), Eutaw Main(EUTWALMA), Evergreen(EVRGALMA), Flomaton(FMTNALMT), Ft Deposit(FTDPALMA), Fort Payne(FTPVALMA), Goodwater(GDWRALMA), Greensboro(GNBOALMA), Holtville(HLVIALMA), Hurtsboro(HRBOALOM), Pence(HRTSALPE), Lafayette(LFYTALRS), Leighton(LGTNALMA), Linden(LNDNALMA), Livingston(LVTNALLA), Lexington(LXTNALMA), Marion(MARNALNM), Munford Main(MNFDALMA), Moulton(MOLTALNM), Maplesville(MPVLALMA), Mount Vernon(MTVRALMA), Ohatchee(OHTCALMA), Piedmont(PDMTALMA), Parrish(PRSHALNM), Rogersville(RRVLALMA), Stevenson(STSNALMA), Tuskegee - East(TSKGALMA), Town Creek(TWCKALMA), Vincent(VNCNALMA), York Main(YORKALMA)

If you are an existing AT&T customer, you may retain your current Local Service(s) subject to the following changes:

- **Effective on or after March 17, 2025, AT&T will no longer allow new orders, renewal of Service Agreements, or requests for physical changes to your service (including moves to different service addresses), unless your contract expressly allows such orders or changes.**

As an alternative to AT&T Business Local Exchange Access Lines Services, you may move your service to AT&T Phone for Business – Advanced (APBA).

As an alternative to DS1 and DS3 services, AT&T offers AT&T Switched Ethernet ServiceSM, AT&T Dedicated Ethernet Service, AT&T Dedicated Internet, or AT&T Business Fiber. We're ready to provide support and answer any questions you may have. Please contact your AT&T Account Manager to start the process of upgrading or migrating.

We know you have a lot of choices in service providers, thank you for continuing to choose AT&T.

AT&T may modify or cancel the information in this Accessible Letter. If AT&T does so, AT&T will notify carriers via a subsequent Accessible Letter. AT&T will incur no liability as a result of such modification or cancellation.
