Subject: Notification of Unaccepted E-filing (E-filing ID = 40229)

The document presented has been reviewed by the Office of Commission Clerk and has not been accepted as an e-filing as it appears to be filed with the wrong agency. This filing appears to be a Uniform Commercial Code Financial Statement between two non-utility entities, and does not include a cover letter or signature.

The FPSC exercises regulatory authority over utilities (electric, gas, water, and wastewater) regarding rate base/economic regulation; competitive market oversight; and monitoring of safety, reliability, and service.

For more information on the FPSC, see our consumer brochures at the following link:
