CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Do not give Duke Energy money for Hurricane relief. This is criminal. They should plan better, they know the Florida hurricane impact and risk. Do not continue to be stupid.

They will not even give Florida clients on Fixed Monthly billing plans any relief, so why should you give them any more taxpayer money.

Please, Please, do not give more money to Duke.
Give money to homeowners to install solar.
