I am writing to formally request that The Commission hold in-district hearings regarding Docket No. 20250011 (Petition for Rate Increase by Florida Power & Light Company) to ensure that the public has a fair opportunity to weigh in on this critical decision. We are asking that, at a minimum, host 4 public hearings in the panhandle of Florida - Pensacola, Fort Walton Beach/Destin, Panama City, and Tallahassee.

I am a widow and I live on \$34,000 a year. My modest home of 450 sq feet is paid for but my property taxes are \$2500 a year. Our local water board increased our water 6% last year and January voted to increase another 12%. These increases are hitting the senior population hard.
