Dear PSC Commissioners,

I am writing to inform you that my family has owned property on Little Gasparilla Island since 2004. We deeply value the unique character and natural beauty of this special place.

I strongly urge you to vote to DENY the application (Docket #20240032-SU) from Environmental Utilities, as their proposed changes could significantly disrupt the island's environment and way of life that we have cherished for over two decades.

Thank you for your consideration.

Sincerely,

William E Briggs
