Commissioners,

AGAIN, we implore you to DENY EU's Application for sewer on Don Pedro Island and surrounding barrier islands in connection with Don Pedro Island.

There is NO need for central sewer systems on the island. As indicated in numerous emails to you in the past, the financial impact and ecological impact do NOT warrant a sewer system. We, as well as MANY island residents, are AGAINST sewer on the island.

Please deny EU's application on April 1, 2025.

Thank you for your assistance and listening to YOUR VOTERS!
