My wife and I have owned a condo at Hideaway Bay Beach Club Condos since 1995 and this application did not include our Association in it. Or take into consideration the effect on the 132 owners and families. We should be allowed to have input to our condos being saddled with this expense since our condos sewer has been in compliance for over 30 years. This application should be DENIED for a certificate to install sewers on our island. DENY THIS APPLICATION.
