Dear commissioner

My name is Kathleen Waltz. I have been an owner at HBBC since 1998.

I am writing to ask you to deny Environmental Utilities (EU) application to install sewers on Little Gasparilla Island.

As an engaged owner I was very pleased we were excluded from the scope in May 2024. HBBC owns and operates a wastewater treatment plant for our community. I had no idea that EU now proposes "use" of our property. Our community has not had notice of the design/location changes to their proposal.

Please vote no T your meeting tomorrow.

Thank you
Kathleen Waltz
