**Subject:** RE: Docket #20240032-SU

Good morning,

We will be placing your comments below in consumer correspondence in Docket No. 20240032, and forwarding them to the Office of Consumer Assistance and Outreach.

Sincerely,

Brian Schultz  
Commission Deputy Clerk II  
Florida Public Service Commission  
2540 Shumard Oak Boulevard  
Tallahassee, Florida 32399  
850.413.6770

PLEASE NOTE: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and the media upon request. Therefore, your e-mail message may be subject to public disclosure.

With so much opposition, and the lack of needing this antiquated sewer system, I am truly surprised that the county commissioners are entertaining this request from EU.

The turnout to the hearings was overwhelming last month. The homeowners on the island do not want this solution for sewer, as not only is there is no environmental need for it, the solution will only cause environmental harm once it fails.

Please reject this application from EU.

Thank you for your time today!

Paul Sarofim
