Hello Terence,

It's \$ 200.00. The other number is a typing error.

Good Morning Mr. Schrade,

As stated in an earlier conversation, the tariff you submitted has service availability charges of \$300 for plant capacity and \$200 for main extension. Further in the tariff, the service availability policy then states, \$300 for plant capacity, and \$2,000 for main extension. Please clarify the main extension charge that is currently being charged for our records?

Thanks,

**Terence Bethea**
