Subject: FPL MINIMUM BASE cHARGE- 2022 ?

Representative Hillary Cassel,

Florida House District 101

Good Day !

Senior Constituent Pertinent Feedback & Request:

FPL Account No. 26582 57510 US Navy Veteran

Ref : FPL Minimum Base Charge 2022 <<<<<

Over the preceding several years my **FPL** account has been monetarily penalized primarily due to the oversight that occurred by the **FPSC**

when they mistakenly granted **FPL** permission to levy an extra charge on individuals such as myself for our minimum **KWH** usage of power every

month since the year **2022**. This inappropriate charge will also continue until the end of **2025**.<<<<<

As your loyal constituent I personally feel that your office should be made fully aware of what **FPL** has been able to levy upon customers such as myself for

no good cause, when in essence we should have been rewarded, and also commented for our diligent sacrifice by **FPL**.<<<<<

It is also very difficult to comprehend as to how the **FPSC** could have granted **FPL** permission to monetarily penalize individuals such as myself . <<<<<

FPL is no doubt a conglomerate that could care less, otherwise none of what has occurred to individuals such as myself never would have occurred.

The Office of Public Counsel also mistakenly informed the **FPSC** that the general public would not object to the extra charge every month, when in

essence nothing could be farther from the truth.<<<<<

In Summation:

Your direct assistance is being respectfully requested in order to hopefully have the minimum base charge removed from my account as I am retired, and also living

on a fixed income.

Thank You.

Respectfully,

Michael J. Walsh
