Docket No. 20250011-EI

Greetings:

I am the founder and president of Eating Better, Feeling Better, Living Better Inc., a 501 (c) (3) nonprofit organization. EFL's mission is to help change unhealthy eating habits and lifestyles of the community to healthier habits. This is accomplished through workshops and presentations.

EFL applied for and was awarded a \$1,500.00 FPL community grant, the first grant awarded for the year 2025. Due to the expertise, professional guidance, and patience of Mr. Reggie Kennedy, questions were answered immediately, and the process went smoothly.

The grant awarded to EFL has helped us purchase the materials and tools needed to equip and encourage the community to live healthy lives.

Thank you, Florida Power and Light, for the community grant.

Best regards,

Cynthia Brown,  
Founder and President of Eating Better,  
Feeling Better, Living Better Inc.
